## **Foundation Draw**

The Foundation Draw is open to all, members and non-members. Each Ticket costs £12 per year which is included in the Draw at £1 per month for 12 months. There is a draw at our first Wednesday breakfast meeting of each month. The winner of each monthly draw receives 50% of that month's Prize Fund with the balance being donated to a selected Rotary charity. As many people as possible are encouraged to join in the Draw and of course individuals can have multiple tickets. Growing the numbers will lead to bigger prizes and bigger charitable contributions.
